2016 NFL SCHEDULE ANNOUNCED

Available on NFL.com, NFL Now and NFL Mobile from Verizon

The NFL announced today its 17-week, 256-game regular-season schedule for 2016, which kicks off on Thursday night, September 8 in Denver and concludes on Sunday, January 1 with 16 division games.

The season begins with the NFL's annual primetime kickoff game. The opener on September 8 on NBC (8:30 PM ET) will spotlight the defending champion Denver Broncos hosting the Carolina Panthers in a Super Bowl 50 rematch at Sports Authority Field at Mile High. It marks the first Super Bowl rematch played on Kickoff Weekend since 1970 (Kansas City-Minnesota).

Week 1 is a FOX national weekend with the key doubleheader game on Sunday, September 11 (4:25 PM ET) featuring the New York Giants at the Dallas Cowboys in a clash between NFC East rivals. Among the highlights in the 1:00 PM ET window on Kickoff Weekend showcases the New York Jets at home on September 11 hosting the Cincinnati Bengals on CBS.

NBC's *Sunday Night Football* gets underway on September 11 when the Arizona Cardinals host the New England Patriots (8:30 PM ET) at University of Phoenix Stadium. Both clubs advanced to the Conference Championship Game last season.

Kickoff Weekend concludes on Monday, September 12 with an ESPN *Monday Night Football* doubleheader. The Washington Redskins will host the Pittsburgh Steelers (7:10 PM ET) in the first game followed by the return of the Los Angeles Rams, who visit the San Francisco 49ers in the nightcap (10:20 PM ET).

ESPN will televise one game each Monday night in Weeks 2-16. There will be no Monday night game on the final regular-season weekend (Week 17) to provide more flexibility for the scheduling of the opening weekend of the NFL playoffs.

A select number of games will be "cross-flexed," moving between CBS and FOX to bring potentially under-distributed games to wider audiences. Some of those contests were announced today, including the Minnesota Vikings at Detroit Lions (12:30 PM ET, CBS) on Thanksgiving Day and the Philadelphia Eagles at Seattle Seahawks (4:25 PM ET, CBS) in Week 11 (Sunday, November 20). Other "cross-flexed" games will be decided during the season.

The regular season will conclude with Week 17 on Sunday, January 1. For the seventh consecutive year, all 16 games scheduled for Week 17 are division contests, enhancing the potential for more games with playoff ramifications. Additionally, over the final three weeks there are 33 division games, tied for the most in NFL history.

Other highlights of the schedule:

In Week 2, the Rams will return home to Los Angeles when they host the Seattle Seahawks at the Los Angeles Memorial Coliseum on Sunday afternoon (4:05 PM ET, FOX). That night in primetime (8:30 PM ET, NBC), the Minnesota Vikings will open their new home – U.S. Bank Stadium – when they host the rival Green Bay Packers.

On Monday night, September 26, the New Orleans Saints will host the Atlanta Falcons at the Mercedes-Benz Superdome. The game will commemorate the 10th anniversary of the reopening of the Superdome after Hurricane Katrina when the Saints defeated the Falcons 23-3 on Monday night, September 25, 2006.

Thanksgiving will feature a tripleheader on Thursday, November 24. The first game will send the Minnesota Vikings to Detroit to face the Lions (12:30 PM ET, CBS). The late afternoon game will feature the Washington Redskins visiting the

Dallas Cowboys (4:30 PM ET, FOX). The holiday concludes with the Indianapolis Colts hosting the Pittsburgh Steelers on NBC (8:30 PM ET).

In Week 16, the majority of games will be played on Saturday, December 24 due to the Christmas holiday, highlighted by a primetime matchup on NFL Network between the Cincinnati Bengals visiting the Houston Texans (8:25 PM ET). There will be two games played on Christmas – the Pittsburgh Steelers hosting the Baltimore Ravens on NFL Network (4:30 PM ET) followed by the Denver Broncos visiting the Kansas City Chiefs on NBC (8:30 PM ET).

The NFL will continue its International Series of regular-season games with three games being played in London and the league's return to Mexico City. On Sunday, October 2, the Jacksonville Jaguars will host the Indianapolis Colts at London's Wembley Stadium (9:30 AM ET, CBS). In the first-ever NFL game at Twickenham Stadium, the Los Angeles Rams will host the New York Giants on Sunday, October 23 (9:30 AM ET, NFLN). The following week, the Cincinnati Bengals will host the Washington Redskins at Wembley on Sunday, October 30 (9:30 AM ET, FOX). The NFL will return to Mexico City on Monday, November 21 (8:30 PM ET, ESPN) when the Oakland Raiders host the Houston Texans in the first-ever *Monday Night Football* game to be played outside the United States.

This season, the NFL will use a "Tri-Cast" distribution model of broadcast (CBS/NBC), cable (NFL Network) and digital (Twitter) for 10 *Thursday Night Football* games. CBS and NBC will each broadcast five *Thursday Night Football* games which will be simulcast on NFL Network and streamed to a global audience across devices for free on Twitter. CBS will start in Week 2 (Thursday, September 15) with the Buffalo Bills hosting the New York Jets (8:25 PM ET) and NBC's package begins in Week 11 (Thursday, November 17) with the New Orleans Saints visiting the Carolina Panthers (8:25 PM ET). Additionally, NFL Network will also exclusively televise an eight-game schedule comprised of four *Thursday Night Football* games, two late-season Saturday contests, a Sunday morning London matchup and a Christmas Day game.

The NFL's 32 teams will each play 16 games over 17 weeks. Byes will begin in Week 4 and end in Week 13.

"Flexible scheduling" will be used in Weeks 10-15 and 17. Additionally, in Weeks 5-9, flexible scheduling may be used in no more than two weeks. In Weeks 5-15, the schedule lists the games tentatively set for *Sunday Night Football* on NBC. Only Sunday afternoon games are eligible to be moved to Sunday night, in which case the tentatively scheduled Sunday night game would be moved to an afternoon start time. Flexible scheduling will not be applied to games airing on Thursday, Saturday or Monday nights. A flexible scheduling move would be announced at least 12 days before the game. For Week 17, the Sunday night game will be announced no later than six days prior to January 1. The schedule does not list a Sunday night game in Week 17, but an afternoon game with playoff implications will be moved to that time slot. Flexible scheduling ensures quality matchups in all Sunday time slots in those weeks and gives "surprise" teams a chance to play their way into prime time.

The playoffs will include four division winners and two wild cards from each conference. The playoffs begin with Wild Card Weekend on Saturday and Sunday, January 7-8. The two division winners with the best records in each conference will earn first-round byes.

Wild Card Weekend winners join the top two division champions in each conference in the Divisional Playoffs on Saturday and Sunday, January 14-15. The AFC and NFC Championship Games will be played on Sunday, January 22. The winners meet two weeks later on Sunday, February 5 in Super Bowl LI at Houston's NRG Stadium (FOX).

The NFL is the only sports league that presents all regular-season and postseason games on free, over-the-air television in local markets. All postseason games are televised nationally.

Westwood One will broadcast on radio all NFL primetime games, the three Thanksgiving Day games and the entire NFL playoffs.

For ticket information, fans may visit www.nfl.com/tickets.
