

The NFL Foundation will match Mr. McNair and the Houston Texans' \$1 million contribution to the United Way Relief Fund to address the immediate needs of those impacted by Hurricane Harvey. The total \$2 million contribution will support first response efforts by the American Red Cross, Salvation Army and the United Way of Greater Houston. Our thoughts are with the Houston community during this difficult time and we encourage fans to text HARVEY to 90999 to donate \$10 to American Red Cross Hurricane Harvey relief.
